Delhi (Shāhjahānābād) Mint, INO Muhammad Akbar II – Silver – Type 2

These coins exist in three styles: a normal 22-24 mm type with part of the design off the flan; a larger broad-flan rupee with almost full flan, scarcer than the smaller flan type; and rare nazarana strikes with a diameter of approximately 28-29mm (see above). The first and second styles are combined in the listings below.
